## 2 Regulations for Aircraft and Passenger Handling

- 2.1 Handling is obligatory for all aircrafts at Mittarfeqarfiit | Greenland Airports' airfields with the exceptions mentioned in (2.2) and (2.4). The handling charge is paid in connection with take-off and in accordance with Mittarfeqarfiit | Greenland Airports' Handling Regulations. Payment can only be made for 1 aircraft and passenger handling per flight operation.
- 2.2 Aircraft operators with locations/hangars that are situated directly at the apron/services areas may enter into an agreement with the specific airfield about handling their own and chartered aircrafts which operate in cooperation with the airline in question.
- 2.3 The agreement mentioned in (2.2) may include special types of aircrafts, flights or all aircrafts of the aircraft operator.
- 2.4 When issuing an annual pas in accordance with Fees & Charges section 9, any arrangement concerning self-handling applies to the aircraft for which the annual pass is issued, even if the conditions in (2.2) are not fulfilled.
- 2.5 Aircrafts that arrive with passengers but return without passengers are to pay the same passenger handling for the arrived aircraft as departing aircrafts.
