1. In General

Please contact the relevant airport(s) (cf. page 5) to ensure that the services you wish to purchase are available.

2. Provisions for Ramp and Passenger Handling

- Subsection 1. Ramp handling is compulsory for all aircraft at Mittarfeqarfiit's airports if the aircraft is not covered by an SGHA or GHA, with the exceptions described in subsections 2 and 6. Ramp handling shall be paid for in accordance to pkt. 3, in connection with landing and take-off at an airport.
- Subsection 2. Airlines with buildings/hangars directly adjacent to the apron/service areas may enter into an agreement with the relevant airfield for the operation of its own and chartered aircraft that provide flights in cooperation with the relevant airline.
- Subsection 3. An agreement in accordance with subsection 2 may include special aircraft types, special flights, or all of the airline's aircraft.
- Subsection 4. Passenger handling is only offered upon departure, and is compulsory for all aircraft with passenger not covered by an SGHA or GHA.
- Subsection 4b. The following aircraft are exempt from passenger handling: Ambulance, Military, Commercial and GA Aircraft which are under 5.7 tonnes and/or configured for less than 10 passengers.
- Subsection 5. When issuing an annual permit pursuant to Article 9 of the Fees and Charges, the agreement regarding self-handling applies to the aircraft covered by the annual permit, even if the conditions don't meet the subsection 2.
